

## estevan art gallery & museum

### June 2011

#### NWMP Museum Tours

Students will tour the NWMP Museum and learn about the Trek West of 1874, as well as the history of the NWMP in the Estevan and Roche Percee areas.

### June Art Project

#### CD Dreamcatchers

Students will discuss various forms of First Nations artwork, clothing styles and tools, as well as the spiritual significance of these items. They will then create their own dreamcatchers using recycled CD's and embroidery thread.

## COMING UP IN FALL 2011....

### September 2011

**Artist:** Leah Dorion

**Artwork:** Métis Painting and Drawing

Students will discuss different types of Métis artwork, as well as the different themes that are often present. They will discuss how Leah's artwork deals with the sacred feminine.

### September Art Project

#### Finger Weaving

Students will learn about the Métis sash, its cultural significance and historical uses. They will then construct bracelets and necklaces using various finger weaving techniques, embroidery thread and yarns.
