

The Estevan Art Gallery and Museum is launching its annual *2011 Membership Campaign* and we would like to be able to count on your support. We have always had a strong dedication towards community pride through our activities promoting understanding and involvement within our diverse society. We strive to encourage the development of culture in school and at the workplace, and advance the open exchange of ideas and values, and with your support we will continue to make the EAGM the cultural centre of the region.

With your contribution, you will:

- Receive a Membership Card.
- Be recognized as the local sponsor or co-sponsor through various promotions.
- Receive invitations to all special events, activities, and receptions.
- Receive a quarterly newsletter detailing what's going on at the gallery and museum.
- Have in-house access to our Digital Equipment including a camera, projector, MAC Laptop Computer, scanner, colour photocopier, and overhead projector.
- Have in-house access to our matte cutter, etching press, photo developing equipment, silk screening and paper making equipment.
- Have access to a borrowing library featuring books and articles on the NWMP museum as well as local, national and international artist catalogues, books, and magazines.
- Receive a 10% discount on the Gallery Shop (a consignment style store featuring local and national art and crafts) in addition to EAGM run art classes and workshops.
- Have the chance to exhibit your artwork in our soon-to-be-ready Community Gallery space connected to Gallery I. (on first come first serve sign up basis)
- Know you have contributed to the cultural well being of our community.

educational programs

Funds raised from this program support a variety of the EAGM's programs and initiatives including the costs of supplies for our youth's *hands-on* activities, tours, and workshops. Many educators and their classes have visited the Estevan Art Gallery and Museum through our School Tour program, in fact in 2009 alone we received over 7500 visitors with over one fifth of that number accounting for students on the 60 school tours we provided throughout the year.

Sincerely,

Griffith Aaron Baker
